Vujade Traits of Daniel - KavEP

Sensory

Kinesthetic

“I Better learn by doing."

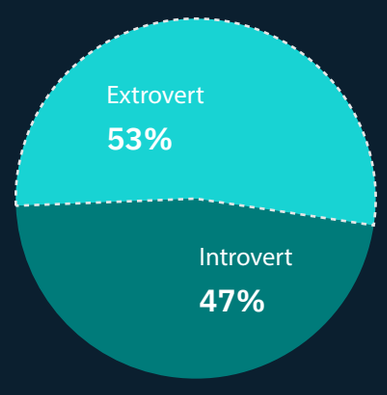

Primarily Kinesthetic - hands-on (touch and feel), with a conscious effort required for being both:

- Auditory - discussions (ask questions and listen), and
- Visual (1.62v) - take in information by using images (pictures, charts and graphs).

Temperament

Extrovert

“I find peace in the quiet of solitude and joy in the buzz of a crowd.”

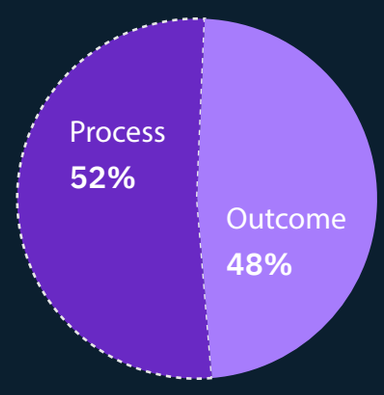

Extroverted and desires:

- To engage others in dialogue, and
- The stimulus of environments.

Cognitive

Process

“I find beauty in the journey, mastering the steps with patience and precision.”

Process who create:

- The plan

How Daniel’s hobbies align with his Sensory, Temperament and Cognitive:

- **Musical Instruments:** I love to play musical instruments: drums, piano and the guitar and any other than involve hands on to learn them.
- **Art:** I enjoy painting my ideas and adding a lot of details to my art.
- **Listening to music:** I love breaking songs and discovering instruments and sounds in them, vocals and every part of a song.
- **Visual:** One of my favorite hobbies is going outside to admire nature, see patterns in the colors of the flowers, birds and butterflies, and how wildlife interact with nature.
- **Live music:** I love concerts, the excitement of singing my favorite music and seeing my favorite artists gives me a lot of energy.
- **Crafts:** I enjoy discovering the steps for an activity like crafts and get to the result by myself.
