Vujade Traits of Doug - KVaIO

Sensory

Integrated Kinesthetic & Visual

"I'm hands-on when I learn and draw diagrams/flow charts when I'm creative"

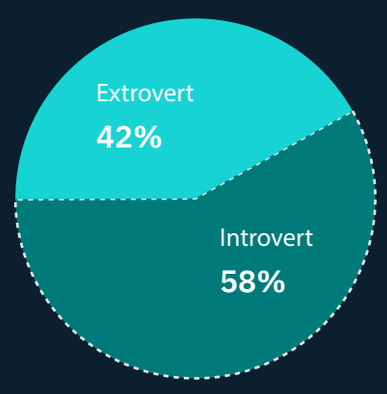

Primarily Kinesthetic - hands-on (touch and feel), with a conscious effort required for both being:

- Secondary Visual - take in information by using images (pictures, charts and graphs), and
- Tertiary Auditory (0.50a) - discussion (ask questions and listen)

Temperament

Introvert

"Let me sleep on it and come back with lots of ideas."

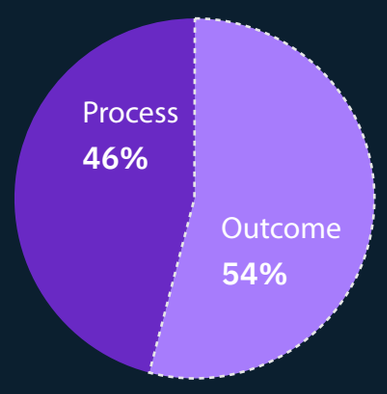

Highly Introverted and have a need for:

- Solitude, tranquility and less stimuli, and
- To engage in deep reflection.

Cognitive

Outcome

"I like to dream big!"

Outcome person who identifies:

- Desired outcome.

How Doug's hobbies align with his Sensory, Temperament and Cognitive:

- **Love driving and working on cars:** Whether it is screaming down California's Highway 1 or changing oil, this Detroit boy loves all types of transportation.
- **Enjoy concerts, performances, and sporting events:** Even though I'm in a large crowd, I can find a quiet place in my introverted mind to find peace and solitude.
- **Love the outdoors:** Backpacking, Scuba Diving, Camping. Just love to reconnect to the beauty of nature
- **Enjoy collecting antique maps:** Maps not only connect you to a place, but a time. Always fascinated to see the cartographer's view that highlights specific map features.
- **Historical Places**: Kinesthetically places me in history so I can better understand the perspectives of that time
- **Art:** Whether it hangs on my walls or in a museum, love that art always inspires my creative side.
- **Wine:** A living time capsule that you not only can view, but experience

*Above comments reflect primary preferences. Each individual has all preferences in different proportions; allowing for us to leverage those if needed in order to connect with others.
